WELCOME!

We are very glad you have joined us for today's Council meeting. If you are commenting on an agenda item, when you are recognized state your name and address and speak into the microphone. The Council is pleased to hear relevant comments; however a general time limit of three minutes is set. Citizen groups are asked to name a spokesperson.

If you wish to comment on any item **not** on the agenda you may address Council during Item 3, Public Comments, by stepping to the microphone and giving your name and address for the record. Speaker cards should be filled out in advance and given to the City Clerk. Comments should be limited to three minutes, unless additional time is authorized by City Council. Citizen groups are asked to name a spokesperson. Items brought forward to the attention of City Council will be turned over to staff to provide a response outside of the City Council meeting. In rare cases where it is determined appropriate to address items raised from citizen comments, these items will be noted and brought back at the conclusion of the printed agenda.

Cellular phones and pagers must be turned off, or set to vibrate during the City Council meeting.

The order of agenda items may be changed if deemed appropriate by City Council.

Thank you for participating in your City Government.
